

Frequently Asked Questions: Working Professionals Month

1) What is “The Working Professionals Month”?

“The Working Professionals Month” is a month-long feature on TestFunda starting from 2nd July up to the 31st of July. Through various offers and activities, TestFunda endeavours to recognize the efforts of the corporate sector and its young and dynamic work force.

2) What benefits do I get if buy the courseware within this month?

To summarise, the various benefits that you get are:

- Incomparable Group Discounts
- Free Personalised Counselling Sessions
- Guidance till you get into a B-school
- Free Chats and Interviews
- Study Plan for the last 4/5 months
- Articles/Trivia and Quizzes

3) What is the “Company Calendar”?

The “Company Calendar” is a schedule in which a group of companies is highlighted. We have divided the 30 days into 10 slots of 3 days each. Every slot consists of 9 companies. If you work in any of these companies and buy the courseware in the slot designated for your company, you accrue additional benefits.

4) What is the Discount Table?

The Discount Table provides you the discount applicable to you depending on when you buy and the number of people who buy with you. As explained, if you buy in a slot that contains your company, you get a much higher discount than if you buy on any other day.

Click here to [view the Discount Table](#).

5) How do we read the Discount Table and Company Calendar? How is the discount calculated?

--- Assume that a group of 4 employees from Wipro want to buy the courseware. The slot for Wipro is 8 July – 10 July. If these 4 people buy the courseware on any of these three days, look for the applicable discount for 4 people under the second column of the discount table. Thus, they are eligible for a 48% discount.

--- Now, if these 4 people buy the courseware on any other day, they are eligible for a discount under the third column. Thus, they are eligible for a 28% discount

The Company Calendar

Slot	Date	Companies
