

**Criteria Followed by IIM Raipur for Short listing of candidates for
Personal Interview for PGP Batch 2010-12**

IIM Raipur has adopted the following process for short listing of candidates belonging to various categories for Personal Interviews (PI).

I) Application Screening

All the candidates who have applied and fulfilled the following minimum overall CAT 2009 percentile were considered for further selection process

Category	Minimum Overall CAT 2009 Percentile
General	90.00
OBC	80.00
SC	70.00
PWD	60.00
ST	50.00

The following table indicates the number of candidates to be admitted and available (based on the above criteria), across various categories as per Government of India norms:

Category	To be Admitted	Eligible Candidates
General	33	2536
OBC –NC (27%)	19	316
SC (15%)	11	109
ST (7.5%)	5	54
PWD (3%)	2	20
Total	70	3035

II) Second Stage Processing

Ten times the required number of candidates to be admitted has been called for the personal interview as per category.

The following criteria has been used to shortlist the candidates for personal interview:

Final Composite Score (100%) = CAT Score (50%) + Academic Performance (50%).

Weightages used in respect of CAT 2009 score is given in the following table:

CAT 2009	Weightage
Quantitative	15%
Logic & DI	15%
Verbal	20%

Weightages used in respect of academic performance is given in the following table:

Academic performance	Weightage
10 th Standard	12%
12 th Standard	18%
Bachelors Degree	20%

The final composite score was computed for all the eligible candidates. The required number of candidates called for personal interview has been short listed from the merit list based on the above score in the ratio of 1:10 candidates in each category.

A normalization scheme was used to normalize the academic scores across Boards, Universities and Institutions prevalent.
